ABOUT US

Allied Builders Trading and Contracting is a dynamic and versatile trading and contracting company specialized in providing high-quality building materials and a wide range of construction services. With a commitment to excellence and innovation, we have established ourselves as a reliable partner in the construction industry.

TRADING DIVISION

Building and Waterproofing Materials

In our trading division, we offer a comprehensive range of building materials, including but not limited to concrete, steel, bricks, tiles, and waterproofing solutions. Our partnerships with reputable suppliers enable us to provide top-notch products that meet industry standards and exceed customer expectations. We understand the importance of quality and durability in construction, and our materials are carefully selected to ensure the longevity and reliability of your projects.

CONTRACTING DIVISION

Construction Services

Our contracting division specializes in various aspects of the construction industry, including civil works, fit-outs, and architectural projects. From designing to execution, we deliver tailor-made solutions that cater to the unique requirements of each project. Our experienced team of professionals ensures that every project is completed efficiently, on time, and within budget, while adhering to the highest standards of quality and safety.

SPECIALTY SUBLETTING SERVICES

In addition to our core services, we offer specialized subletting services to provide a holistic solution for complex projects. Our expertise includes electromechanical works, soft landscaping, piling, and more. By collaborating with experts in these fields, we ensure seamless integration of various components, resulting in projects that are not only aesthetically pleasing but also functional and sustainable.

2.OUR VALUES

Quality: We are committed to delivering products and services that meet the highest quality standards, ensuring the satisfaction of our clients and the longevity of our projects.

Integrity: Transparency, honesty, and ethical conduct are at the core of our business practices. We build trust by consistently delivering on our promises.

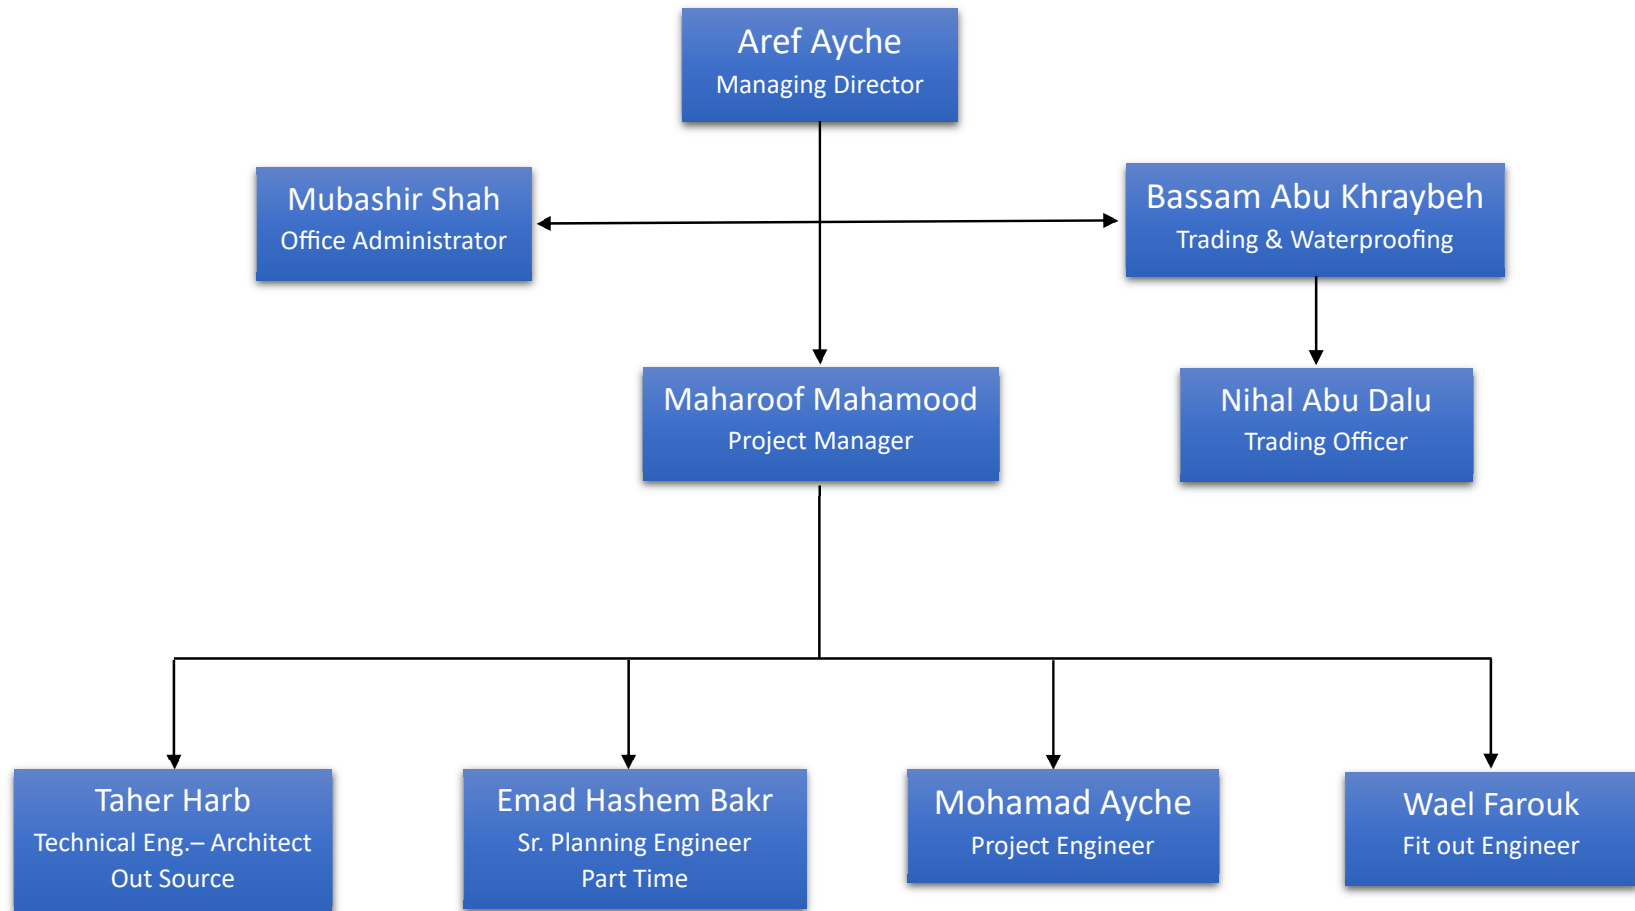

Innovation: We embrace innovation and continuously seek new ways to improve our processes, products, and services. This enables us to stay ahead in an ever-evolving industry.

Collaboration: We believe in the power of collaboration – both within our team and with our clients and partners. By working together, we achieve greater results.
